## **Release of Liability & Waiver Form (Non-Wrestling)**

I understand that exercise, training and using fitness equipment are potentially hazardous activities. I further understand that these activities involve risks of injury, aggravation of pre-existing conditions, and in the most severe and extreme situations, even death. Furthermore, I acknowledge that exercise on the body cannot be predicted with complete accuracy and that injuries may occur during or following exercise that could lead to these complications and adversely affect my health. These changes may include, among other effects, high blood pressure, increased heart rate, altered heart function, and possibly, and again in rare instances, cardiac complications. Accordingly, I acknowledge that I am voluntarily participating in these activities with the full knowledge and understanding of the potential dangers. I am aware that a comprehensive medical examination is necessary before using the equipment and machinery and that a consultation with a physician is essential to determine which physical activities, exercises, training, and programs, if any, are recommended by my personal doctor. I further acknowledge that I have either had a physical examination within the last month and learned of the recommended activities, or that I voluntarily assume all responsibility and liability for using the facilities, equipment, machinery and participating in all programs at the Revolution Combat Club, LLC. I also have read and been informed of the following warning and notification: ***"If you are currently under a physician's care for an injury, condition or illness, Revolution Combat Club, LLC strongly urges you to consult your physician before conducting any exercises, using any equipment, or participating in any program at Revolution Combat Club, LLC."***

Whether I have had an examination or voluntarily assume all liability I further declare that I am physically fit, sound and suffering from no condition, impairment, disability, disease, infirmity, or illness that should prevent my participation in any program and the use of any exercise equipment and machinery. ***(Anyone who cannot sign that this statement is correct must see the Coaching Staff immediately before using the facilities).***

Moreover, in consideration of being allowed to use all facilities, equipment, machinery, and programs, I personally assume all risks involved in all exercising, training, activities and programs at Revolution Combat Club, LLC. I also waive and release, now and forever, all claims and causes of action against Revolution Combat Club, LLC, its elected or appointed officers, agents, volunteers, employees, representatives, consultants, executors, and all others directly or indirectly connected with Revolution Combat Club, LLC from any and all personal injuries I sustain (including death), any medical condition of any kind which results, any aggravation of a pre-existing medical condition that I aggravate, and any and all other damages or injuries which
